ADULT CLASSES

Canadian River Art welcomes Michael Longhofer back this summer to teach two workshops. Michael will be offering a three day intermediate/advanced drawing course as well as a large scale painting class. Michael has recently completed his Masters of Fine Arts Degree at West Texas A&M University. He continues to execute his commissioned work while teaching both in Amarillo and the surrounding Texas Panhandle area.

BEHIND THE SCENES

We have new people, places and things here at the Gallery. Not only have we hired a fabulous new teacher, Ms. Darbi Kelton but we are also pleased to announce, Lauren Haley has joined our Board of Directors along with Kyle Miller, Debbie Innis, Chelsie Murfee and Beth Sturgeon. Canadian River Art Center plans to expand our classroom space to make room for a state of the art academy program Canadian, Tx will be proud to call its own. Also, in the works is a new space dedicated to our local artist to display their work all year around.

A Note From The Director

With all new beginnings comes the promise of what is yet to be. What is yet to be, you might ask? Canadian River Art Center is on quest, driven to be intricate part of a bigger plan to make Canadian, Texas a regional art hub. We want to grow. We want to be known as the visionaries of the Texas Panhandle. Given the incredible support of our donors, our local community and an amazing collaboration with West Texas University we cannot fail. I would like to personally thank each and every one of you. For every class you take, every event you attend, every scholarship you finance, every piece of art you purchase, gives you ownership and together, we will make it happen!

Shannon Caseltine

God made me a naturally creative individual.

Because of you, I am an artist,

I am a work in progress,

I will make you proud.
